Electrical Conduit PVC Pipes And Fittings

IS:9537

1983 (PART-3)

The Ultimate Answer to Shock-Proof Homes!

Rahi Rigid PVC Conduit Pipes are designed to meet the most rigorous standards and exceed your expectations. Our proprietary formula, composed of unplasticised polyvinyl chloride (UPVC), ensures top-notch quality. The Extra Super High impact materials used in our products make them well-suited for deployment in challenging environmental scenarios. Our PVC conduit pipes adhere to IS:9537 (Part 3) regulations, guaranteeing compliance with industry norms. Below are some of the key applications of our products:

1. Concealed and surface wiring channelization
2. Telecommunication and cable ducting

Dimensions of Round Conduits {as per IS:9537(part 3)}

Nominal size mm	Outer diameter mm	Tolerance on Outer diameter mm	Inside diameter (min) mm		
			Light	Medium	Heavy
